

**RESEARCH PROJECT:
CENTENNIAL ANNIVERSARY “CIVIL AND COMMERCIAL CODE OF THAILAND”**

*for
Reassessment of the Contribution by the French Commissioners
in the Code Commission in Case of Book III “Specific Contracts”*

**Tracing the Alteration Process
Applied to the Draft April 1924
by the Department of Legislative Redaction
(23 พ.ค. 2467 – 25 พ.ย. 2467)**

Introductory Notes

The first version of Book III was enacted in January 1925. Its final version in Thai language is included in the “*Archives of the History of Thai Codification*”.¹

- “ร่างประมวลกฎหมายแพ่งและพาณิชย์ บรรพ 3 กรมร่างกฎหมาย” ([Vol. 90](#) or [Vol. 91](#)).

Its original texts in English language could be identified in the following document in the archives:

- “DRAFT CIVIL AND COMMERCIAL CODE BOOK III” ([Vol. 88](#))

It was the result of the final alterations undertaken by the “*Department of Legislative Redaction*” (กรมร่างกฎหมาย) to the “*Draft April 1924*” in 1924 (23 พ.ค. – 25 พ.ย. 2467), which are recorded in the following archive:

- “บันทึกตรวจสอบแก้ร่างประมวลกฎหมายแพ่งและพาณิชย์ บรรพ 3 พระยา manusri” ([Vol. 89](#))

All the alterations were recorded, for instance in the report “บันทึก ฉบับที่ ๙” (หน้า 89/28), in the following manners:

¹ The list of the archives is available under:

<http://openlegaltextbook.info/Centennial/data/uploads/microfilms/digital-collection-thai-codification.pdf>

Introductory Notes

- (๑) ในลักษณะให้ เท็นควรเติมความเข้าอีกมาตราหนึ่ง คือ มาตรา ๕๗๑ ตรี ตามร่างใหม่ห้างท้ายนี้
(๒) มาตรา ๕๗๖ เท็นควรให้แก้ไขใหม่ตามร่างใหม่ห้างท้ายนี้
(๓) มาตรา ๕๗๓, ๕๗๘ และ ๕๗๙ เท็นควรตัดออก เพราะมีบทบังคับในลักษณะเมิดแล้ว ...

In the entry No.1 of the Report No.7 – 07(01) –, a new section “๕๗๑ ตรี” (“531 ter.” in หน้า 89/29) was inserted, and in the alteration 07(02), Sec. 536 was improved (หน้า 89/29) while Secs. 537, 538 and 539 were deleted in the alteration 07(03).

The section numbers ๕๗๑, ๕๗๖, ๕๗๗, ๕๗๘ and ๕๗๙ in the report are not the section numbers in the Draft 1919. Instead, they exactly correspond to the section numbers in the following archive:

- “คำแปลร่างประมวลกฎหมายแพ่งและพาณิชย์ บรรพ 3 มีนาคม 2466” ([Vol. 86](#))

This document (dated March 1924) contains the Thai translation of Secs. 453 – 1139. These section numbers are exactly identical with the section numbers recorded in the “**Reports** (บันทึก)” in the “**Vol.89**”. Furthermore, this document has many handwritten remarks or notes which exactly correspond to the alterations recorded in the “**Vol.89**”. From such circumstances, it is to presume that the document in the “**Vol.86**” was an initial translation of the original text of the “Draft April 1924”. Unfortunately, the original text in English of the Draft itself has not been identified in the Archives yet. In this sense, the document in the “**Vol.86**” is the most important source to know of the original contents of the Draft.

Contents of the Table

The following table describes the alteration process of Sections 453 – 1011 from the 1st Report of 23 May to the 41st Report of 25 November 1924. The contents of the four main columns are as follows:

- 1) The first main column shows the section numbers in the “**Draft of 1919, Division VII.**” corresponding with sections in the “**Draft April 1924**”.
 - a) The entered content with parentheses, for instance “(676)”, means that this section in the “Draft 1919” was not adopted in the “Draft April 1924”.
 - b) If the entered content is crossed out with a line, then it means the section in question was deleted through the alterations to the “Draft April 1924”.
 - c) If the entered content is simply “- -”, then it means that there is no corresponding section.
- 2) The second main column shows the section numbers in the “**Draft April 1924**” recorded in the “**Vol.86**”.
- 3) The third main column describes each operation of the alterations recorded in “**Vol.89**”. Its sub-columns show the section numbers of the reference texts and their position (page number in the archive), kinds of alteration (“**del.**” “**imp.**” or “**ins.**”), the Report/Entry-numbers, and their position page number in the archive).
 - a) The reference texts (altered texts) are primarily to find in the “**Vol.89**”.

Introductory Notes

- b) If reference texts are missing in the "**Vol.89**", sometimes supplementary information is to find in the "**Vol.87**" or in the "**Vol.45**".
- c) If the entered section number has neither exact position "(??/??)" and nor Report-/Entry-number "??(??)", then it means that there is no report of alteration despite certain difference between the text in the "**Draft April 1924**" and the text in the "**Draft 1919**". In such a case, it is reasonable to assume that the text of the "**Draft 1919**" was already changed in the "**Draft April 1924**".
- 4) The last main column shows the section numbers of the finalized texts in the "**Vol.88**". Sometimes, the texts have experienced "Second alteration" at the final stage of the revision.

The final candidate for each section in the "**Vol.88**" is indicated with the bold section numbers in red, for instance "**456** (89/10)".

In this way, we can trace the alteration process from the "**Draft 1919**" over the "**Draft April 1924**" to the final enactment in January 1925 through the comparison between "**Draft 1919**", "**Vol.86**", "**Vol.89**", and "**Vol.88**".

28 April 2024
